Message from the Headmistress

**Dear Parents and Students,
Namaskar**

As we approach the end of the year, December has been a month of reflection, celebration, and growth for our pre-primary students. It has been a month where the spirit of togetherness and festive cheer filled our classrooms, and we witnessed the holistic development of our little learners.

At the heart of our educational approach is a commitment to nurturing the emotional, social, cognitive, and physical development of each child. This December, the Kilkari Wing students of DIS Edge have been actively engaged in experiential learning activities that have brought joy and creativity into their learning journeys. Through hands-on experiences, from craft-making to holiday-themed storytelling, each activity has provided an opportunity for them to explore, express, and learn in meaningful ways.

December also brought with it the joy of celebrations! From the excitement of our winter festivities to the warmth of holiday traditions, our students took part in various special events that helped them understand the significance of cultural celebrations and the importance of sharing joy with others. These moments have not only brightened our school environment but have also contributed to the growth of their social and emotional skills.

In addition to the celebrations, we had a series of friendly competitions, where our young learners showcased their creativity, teamwork, and confidence. Whether it was a festive dress-up competition or a winter-themed art contest, it was heartwarming to see the enthusiasm and sportsmanship displayed by our students.

As we look forward to the new year, I on behalf of our Principal Mrs Aubha Srivastava and the entire staff of Delhi International School Edge, want to take a moment to wish all our children the very best for the future. With the foundations of curiosity, creativity, and resilience laid during these early months, I am confident that they will continue to shine brightly in the years to come.

Thank you to our dedicated teachers and supportive parents for making December a memorable month for our children. Let us continue working together to ensure that each child's potential is nurtured and celebrated.

**Warm Regards
Monalisa Sarkar
Headmistress**

✓ BUILD-A-BOT ADVENTURE

Our young explorers are combining shapes, LEGO, and imagination to create amazing bots, fostering critical thinking, collaboration, and creativity. They got engaged in a fun-filled bot-building adventure, promoting skills in problem-solving, teamwork, and self-expression.

WHEELS ON THE ROAD & TRAFFIC TALES

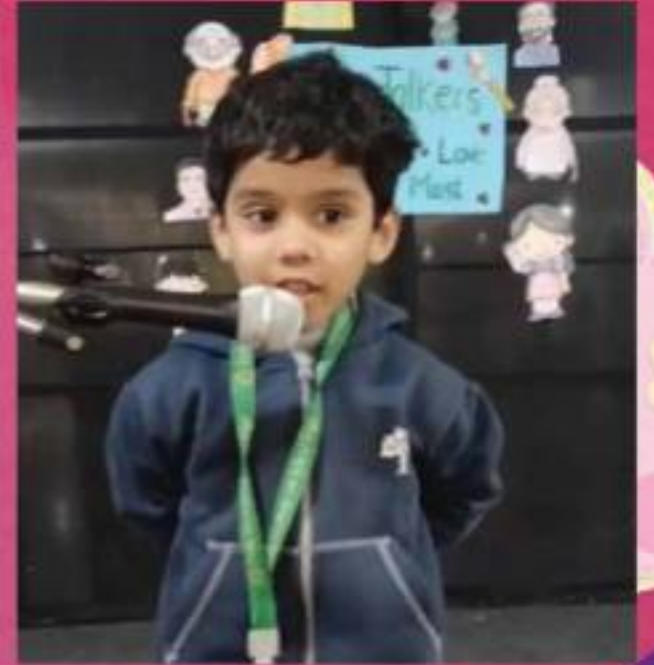

OUR NURSERY CLASS TOOK A FUN-FILLED JOURNEY INTO THE WORLD OF VEHICLES AND ROAD SAFETY! FROM LEARNING ABOUT DIFFERENT TYPES OF VEHICLES TO PRACTICING IMPORTANT ROAD SAFETY RULES, THE CHILDREN WERE EAGER TO EXPLORE HOW TO STAY SAFE ON THE ROAD.

THROUGH INTERACTIVE ACTIVITIES AND COLORFUL VISUALS, THEY DISCOVERED THE IMPORTANCE OF TRAFFIC SIGNS, USING CROSSWALKS, AND ALWAYS WEARING SEAT BELTS.

Star Talkers - Person I Love the Most

Our learners had a heartwarming activity where each little one shared stories about the person they love the most. From parents to siblings, their faces lit up as they talked about the special people who bring joy and comfort to their lives. It was a beautiful moment of connection and love.

Christmas Fiesta

CVC word trail

Our little learners explored a trail filled with CVC words like 'dog,' 'log,' and 'pot,' strengthening their phonics skills while having a blast! Each step on the trail helped them connect sounds with letters, making reading fun and interactive! abc Watch as they decode simple words, build confidence, and celebrate each successful step!

Purifying water experiment

Today, our kindergarteners embarked on an exciting adventure to purify water! With bright smiles and eager minds, they explored how we can all play a part in protecting this precious resource. Through this fun competition, they've learned that even the smallest efforts can lead to the biggest changes.

GRATITUDE

JAR

ACTIVITY

Tiny hands and big hearts come together as our kindergarteners share their gratitude in the most heartfelt way. Each little note or drawing reflects their love, appreciation, and joy for the people and moments that matter most to them. As these tokens of thanks fill our Gratitude Jar, it becomes a beautiful symbol of kindness, spreading smiles and warmth throughout our classroom. Together, we're building a tradition of thankfulness and happiness

SNOWMAN BOWLING

ACTIVITY

Today's snowman bowling activity was a hit—literally! The little ones couldn't get enough of rolling their 'snowballs' to topple over the snowman pins. This delightful game was a perfect mix of fun, learning, and winter magic, teaching them balance, focus, and teamwork. Every strike and spare was met with applause and big smiles!

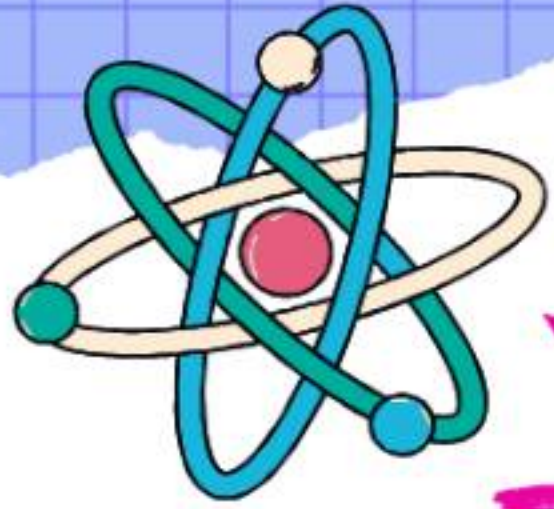

Thanksgiving greeting

activity

What a heartwarming day it's been with our kindergarteners as they crafted Thanksgiving greetings to share with their loved ones! With crayons, glue, and an abundance of creativity, they expressed what makes their hearts happy. This activity was a perfect way to teach them the value of appreciating life's blessings and spreading love and gratitude
