

DELHI INTERNATIONAL SCHOOL EDGE Holiday Homework 2024-25 Class - VII

Dear Children,

Summer vacation is here, bringing with it a mix of relaxation and learning opportunities.

Your teachers have prepared engaging projects and assignments to keep your mind active and deepen your understanding of different subjects. Take your time to explore these tasks, as they are designed to enhance your academic skills while you enjoy your break. Happy Holidays!

Guidelines for students:

- 1. Remember to hand in your assignments promptly once school resumes. Your effort in completing them well will be recognized and appreciated.
- 2. Review the subjects covered by your teachers in the new session to reinforce your understanding.
- 3. Dive into the world of literature by exploring novels, short stories, travelogues, and other enriching reads.
- 4. Engage in a fulfilling activity at home, such as sketching, painting, learning a musical instrument, gardening, or anything else that brings you joy and excitement.
- 5. "Life devoid of reflection is akin to squandered opportunity; to enrich it, we must cultivate the art of introspection. To refine our skill in reflection, engage in the following exercise."

EXERCISE FOR SELF REFLECTIONS- (Mandate to be done)

- 1. To maintain a positive attitude and create energy, what are the "Three things you do" before you step out for a task?
- 2. What are the "Ten positive words" you have spoken in the last 24 hours?
- 3. What are the "Three qualities" you appreciate in people (Your family members and school community)
- 4. What makes you think that you love yourself?
- 5. Read the newspaper daily to empower yourself with knowledge and general awareness.
- 6. Maintain a Daily Journal of the points 1-4, including new words. Also, read the newspaper for upgrading your current affairs.
- Let your parents acknowledge your journal each day with their signatures. Your journal should be like handwriting practice to teach the benefits of handwritten notes because it improves attention, comprehension, and results.

HAPPY AND HAPPENING SUMMER BREAK!

Enjoy and take care of yourself!

Some useful tips for summer vacation

- Make sure to maintain a balanced diet with ample water intake. Incorporate citrus fruits such as oranges, lemons, and grapes, as well as vitamin C-rich vegetables. Don't forget to include sources of vitamin D like cheese and egg yolks, along with zinc-rich foods like legumes, lentils, beans, and nuts in your meals. Your body will benefit from these nourishing choices!
- Practice some yoga and breathing exercises.

- Take the lead in promoting health within yourself, your school, your family, and your community. Adopt healthy habits such as coughing and sneezing into a tissue or your elbow, and refrain from touching your nose, face, eyes, and mouth. Share your knowledge of disease prevention with your family and friends, particularly with younger children, to contribute to a healthier environment for all.
- Make Sunday a "family Funday" and indulge in cleaning your home with the help of parents.
- Water the plants and rejoice in the beauty of nature.
- Contribute to the well-being of wildlife by keeping a water bowl in your garden or balcony for thirsty birds. Observing and caring for our feathered friends can be a rewarding experience, fostering empathy and environmental stewardship.

SUMMER HOLIDAY HOMEWORK

"Let knowledge be your passport to adventure during this holiday break."

Prelude:

In the Lakshadweep Islands, the population can be broadly categorized into two main groups: Indigenous inhabitants and Immigrants or Settlers. Before significant external influence, the islands were primarily inhabited by indigenous peoples. However, with increased connectivity and development, the demographic makeup has evolved.

Among the Indigenous People of Lakshadweep, several distinct communities stand out

- 1. The Malabaris
- 2. The Aminidivi
- 3. The Koyas
- 4. The Malmis

Each of these communities boasts its cultural heritage and practices, adding depth and diversity to the rich cultural landscape of the Lakshadweep Islands. Their presence underscores the longstanding history and multiculturalism of this unique archipelago.
