**Subject: Guidelines/Rules & Regulations for Organizing Science and Mathematics Exhibition (SME) and other Science Activities for Academic session 2023-24.**

As we all are aware that the Directorate of Education, GNCT of Delhi organizes Science Exhibition and other science activities like Science Debate, Science Quiz, and Science Based Poster, Slogan, Science-toon every year for inculcating scientific temperament and popularization of science among its students.

In this regard, State Level Science and Mathematics Exhibition, Science Debate, Science Quiz, Science Based Poster/Slogan/Science-toon, are to be organized in the following manner:

**A. State Level Science and Mathematics Exhibition:**

The exhibition will be organized in three categories given as under:

Sr. No.	Category	Category Code
1.	Science Exhibition for Senior Classes (Class 9 <sup>th</sup> to 12 <sup>th</sup> )	C1
2.	Science Exhibition for Junior Classes (Upto Class 8 <sup>th</sup> )	C2
3.	Mathematics Exhibition (for all Classes)	C3

**1. Theme of Science Exhibition for Senior Classes (Category C1):**

“Science and Technology for Society”

**Sub-themes:**

1. Health
2. LiFE (Lifestyle for Environment)
3. Agriculture
4. Communication and Transport
5. Computational Thinking

**Topic of one day seminar in r/o Science Exhibition for Senior Classes:** “Millets for Health and Sustainable Planet”.

**2. Theme of Science Exhibition for Junior Classes (Category C2):** “Solution of Single Use Plastic”.

**3. Theme of Mathematics Exhibition for all Classes (Category C3):** “Vedic Math for Our Daily Life”.

Students will develop exhibit/working model/static model/prototype based on scientific/mathematical principles on the above-mentioned themes and sub-themes for showcasing their idea in the exhibition. Students should keep in mind that their work is innovative, problem-solving, economic, original or having improvised modifications in the existing knowledge/technology/craftsmanship etc. for the welfare of larger section of the society. The students participating under the category C1 must prepare a write-up about their exhibit/model and submit it at the time of their participation in the State Level Science and Mathematics Exhibition 2023-24.

## Organizing the Exhibition at various Levels:

- 1- **School Level:** Children from all schools including Government, Government-aided, Private Unaided recognized schools of DoE, GNCT of Delhi are eligible to participate in the Exhibition. Therefore, all the HoSs of the respective schools will conduct the exhibition at school level for their students under each category code i.e. C1, C2, and C3. A panel of three Science Teachers (PGTs of Physics/Chemistry/Biology/Mathematics/Computer Science or Senior TGTs of Natural Science/Mathematics/Computer Science) headed by the HoS of the School will evaluate all the exhibit/models at school level. Thereafter, they will select only one best exhibit/model pertaining to any of the sub-themes under the main theme “Science and Technology for Society” in the category C1. They will also select one best exhibit/model from the each category of C1 and C2. Each exhibit/model can have maximum two students and one guide teacher. For selection of the best exhibit/model for Science and Mathematics Exhibition 2023-24, the criteria is given in **Annexure: V**. No remuneration will be paid to such teachers for the said purposes. After selection of one exhibits/models under each category, schools will register themselves by submitting a registration form given herewith (See Page No. 4) till **07.11.2023** for further participation at Zonal level.
- 2- **Zonal Level:** All zonal conveners under the Directorate of Education will organize the Exhibition for all the registered schools under their jurisdiction as per the schedule given in Annexure-II. One entry having only two students and one guide teacher from each category per school (i.e., maximum three entries from one school is allowed to participate at zonal level ensuring that each entry must be from different category) is permitted to participate at Zonal Level. Thereafter, the Zonal Conveners will send the details of selected entries for the 1st, 2nd and 3rd position for each sub-theme under the category C1 and the details of the first three position holder from categories C2 and C3 each to their respective Science Centre. Zonal Conveners may nominate a panel of 14 Judges for the above said purpose. The Judges should not be below the post of Principal/Vice Principal having Science Background or Sr. PGTs of Physics, Chemistry, Biology, Mathematics, and Computer Science.
- 3- **Science Centre Level:** The Science Centres will organize the Exhibition for selected entries at the zonal level as per the schedule given in Annexure-II and subsequently will send the details of the entries selected for 1st, 2nd and 3rd position for each sub-themes under the category C1 and 1st, 2nd and 3rd position from other categories C2 and C3 each to the Science Branch for further participation at State Level. In-charge of Science Centres may nominate a panel of 14 Judges for the above said purpose. The Judges should not be below the post of Principal/Vice Principal with Science/Mathematics/Computer Science Background.
- 4- **State Level:** State Level Science and Mathematics Exhibition (SME) – 2023-24 will be organized for all the entries selected by Science Centres of Directorate of Education, GNCT of Delhi. **The seminar on the topic “Millets for Health and Sustainable Planet”** will be organized one day before the organization of the SME or during the days of exhibition in morning/evening hours. The expert/scientists for the seminar will be preferably from a research institute/laboratory/university/SCERT/SIE. In the state level, three best entries from each sub-theme of the category code C1 will be selected for the participation at National Level in 51<sup>st</sup> Rashtriya Bal Vaigyanik Pradarshani — 2024.

## **B. Other Science Based Activities:**

- 1- Science Debate:** All the HoSs of schools under DoE, GNCT of Delhi will conduct Science Debate for students (class 9<sup>th</sup> to 12<sup>th</sup>) in their School and will select only two students (one for “in favour” and second for “against”) for participation at zonal level. Topic of the Science Debate is given in Annexure-I. Schools willing to participate can register themselves with the details of selected students through the provided link. All zonal conveners will organize the Science Debate for all the registered school under their jurisdiction as per enclosed schedule Annexure-II. Thereafter, the Zonal Conveners will send the details of selected students for the 1<sup>st</sup> and 2<sup>nd</sup> position to their respective Science Centre. Further, the Science Centres will organize Science Debate for selected students at the zonal level as per the schedule attached herewith (Annexure-II) and subsequently will send the details of students selected for 1<sup>st</sup> and 2<sup>nd</sup> position to the Science Branch for further participation at State Level.
- 2- Science Quiz:** All the HoSs of schools under DoE, GNCT of Delhi will conduct Science Quiz for students (9<sup>th</sup> to 12<sup>th</sup>) in their School and will select only one team of three students for participation at zonal level. Topic of the Science Quiz is given in Annexure-I. Schools willing to participate can register themselves with the details of selected students at their level through the provided link. All zonal conveners will organize the Science Quiz for all the registered schools under their jurisdiction as per enclosed schedule (Annexure-II). Thereafter, the Zonal Conveners will send the details of selected teams for the 1st, 2nd and 3rd position to their respective Science Centre. Further, the Science Centres will organize Science Quiz for selected teams at the zonal level as per the schedule (Annexure-II) and subsequently will send the details of selected teams for 1st, 2nd and 3rd position to the Science Branch for further participation at State Level.
- 3- Science Based Poster, Slogan, Science-toon:** All the HoSs of schools under DoE, GNCT of Delhi will conduct a competition for students of I to V (Sub Junior Level), VI to VIII (Junior Level) and IX to XII (Senior Level) in their School and will select only one entry from each level under each category i.e., Poster, Slogan, and Science-toon as per topics given in **Annexure-I** for participation at zonal level. Schools willing to participate can register themselves with the details of selected students at their level through the provided link. All zonal conveners will organize the Science Based Poster, Slogan, Science-toon competition for all the registered schools under their jurisdiction as per enclosed schedule (Annexure-II). Thereafter, the Zonal Conveners will send the details of selected student for the 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> position from each level under each category to their respective Science Centre. Further, the Science Centres will organize Science Based Poster, Slogan, Science-toon competition for selected students at the zonal level as per the schedule (Annexure-II) and subsequently will send the details of students holding the first three position from each level under each category to the Science Branch for further participation at State Level.

Topics and Schedule of the above-mentioned exhibition and other science-based activities are enclosed herewith as **Annexure-I** and **Annexure-II** to all the concerned for further preparation.

### Guidelines for Principals/HoS for participation in the Exhibition and Science Activities:

- 1- HoSs of all schools of DoE, GNCT of Delhi will ensure maximum participation of students at their school level so that the best entries could be selected for participation in the Exhibition and Science Activities at the Zonal level.
- 2- After selection of the entries for the exhibition and each activity at school level, registration of the participating students will be made by the HoS/Principal only by submitting the respective Google form given herewith. No other mode of registration for participation in the above said exhibition and activities will be entertained at any level.
