Sub: Plan Admission for the Academic Session 2023-24.

Under Plan Admission scheme, students from the Feeder Schools i.e. MCD/Govt., Govt. Aided, Recognized Unaided Schools (Under RTE/DSEAR) are admitted in the Schools of Directorate of Education (Parent School). In order to discuss the modalities regarding Plan Admission and to refine the admission procedure for the forthcoming session i.e. 2023-24, a meeting under the chairpersonship of the Addl. DE (School) was convened on 11-01-2023 at New Conference Hall, Directorate of Education, Old Sectt.. In the meeting, it was decided that following broad guidelines should be taken care of while preparing the admission plan for 2023-24:-

- Feeder Schools of Delhi should be attached to the neighbourhood Parent School of Directorate of Education.
- Ensure that, as far as possible no student should be required to cross the Railway Lines or Major Main Road in order to reach school.
- Students should be distributed equally, wherever possible, to avoid overcrowding in a particular school.
- Students of Feeder School studying in English/Urdu Medium should be attached to the same instructional medium schools.
- All Primary schools including MCDs, Govt. Aided, Recognised Unaided Primary Schools (under RTE/DSEAR) should be attached to schools of Directorate of Education for the pass outs of the highest Class i.e., Class V only.
- All Govt./Govt. Aided and Recognized Unaided Middle Schools should be attached to Secondary/Senior Secondary Schools of Directorate of Education for the pass outs of the highest Class i.e., Class VIII.
- For Admission Plan, **schools should be attached keeping in mind the convenience of students and not to be restricted by Zonal/District boundaries** i.e. if two schools are close to each other & are located in two different Zones/Districts, then they can also be attached for the purpose of admission plan. District DDEs (in case of Inter Zonal Boundaries) and Regional Directors (in case of Inter District Boundaries) should ensure that Zonal/District boundaries do not create hindrance in the attachment of schools.
- All the DDEs (Zone) are hereby requested to ensure that, if required, newly opened schools are included in the Admission Plan and merged schools during

the Academic Session 2022-23 must be excluded from the Admission Plan for the coming session.

- All the DDE (Zones) of Directorate of Education are requested to call a meeting with Zonal Heads/DDE (Zones) of MCD of the concerned area for co-ordination regarding Plan Admission.

Plan Admission in Class VI

Similar to last year, online module, regarding entry of student details of Class V students (gender wise and medium wise), is available at www.edudel.nic.in ->**Student login->Plan Admission**. A module having 12 data entry fields has been developed, which is class wise for admission in Classes VI & IX. The particular class VI or IX will have to be selected before feeding the data. All the Heads of the Recognised Unaided Primary Schools (under RTE/DSEAR) are directed to feed the data of all the students of class V diligently latest by **31-01-2023 (Tuesday)**. **After 31-01-2023, the link will be blocked at School Level**. Heads of concerned schools must ensure that no eligible child is left.

- The data entry fields are as under:

- ✓ Name
- ✓ Date of Birth
- ✓ Father's Name
- ✓ Mother's Name
- ✓ Category(SC/ST/OBC/Gen)
- ✓ Gender
- ✓ Medium of instruction
- ✓ Address
- ✓ Mobile No.
- ✓ Bank A/c No. (If available)
- ✓ Aadhaar No. (If available)
- ✓ Religion

If the Recognised Unaided Primary Feeder Schools do not fill the above 12 data entry field for a student before the stipulated date, the name of that student will not be reflected at DoE online module, hence he/she will not be admitted by the Parent School. In this case the Feeder School has to approach the respective DDE (Zone) to feed the necessary details of the left out students so that the concerned student may be admitted in the designated Parent School.

- In case of Feeder MCD / Govt. / Govt. Aided Schools, SLCs of the eligible students will be issued online for the proposed Parent School through MIS module.
- All the Heads of the Feeder Govt. / Govt. Aided / MCD Schools will ensure that Student IDs of all the students studying in class V are generated and their data details, in particular, their mobile numbers, residence address is correct. If Student ID of any student is not generated then it will not be possible to generate online SLC of that student, hence, he/she would not be admitted in the Parent School.

- Heads of the Feeder MCD / Govt. Schools will submit duly signed hard copies of the online issued SLC while Heads of the other Feeder Schools will submit duly signed hard copies of the Manual SLCs of all the students of their respective schools to the Head of the concerned Parent School in a compiled manner by **27-03-2023 (Monday)**.
- All the Heads of the Parent Govt. and Govt. Aided Schools under Directorate of Education having Feeder Schools attached to them are hereby directed to admit online all the students studying in class V of the Feeder Schools in class VI after receiving their SLCs from Heads of the Feeder Schools and verification of relevant documents.
- **Moreover, if any discrepancy is found in the online issued SLC before admission of the student in the Parent School, the required correction may be completed at the level of MCD school but after admission of the student in the Parent School correction can not be done at the level of MCD school. Therefore, Heads of all the Feeder MCD Schools are hereby directed to ensure correctness of the student details of each and every student studying in class V in their school before issue of online SLC.**
- The HoS/Vice Principal/designated teacher of the parent DoE school would visit the feeder schools personally to hand over the welcome sheet to each child on or before 15.03.2023 or as per the date fixed in consultation by both the Heads of Schools (i.e. MCD & Directorate of Education). MCD officials may be requested to hold a PTM on that day so that parents can also be briefed by HOS and Teachers of Parent Schools.
- Heads of Feeder Schools will ensure that the parents of Class V students are well informed about their new Parent Schools. Heads of the Feeder Schools are directed to provide copy of the attached instructions regarding admission to the parents of the students of class V.
- On 1st of April, 2023, all the students of Class V, their parents, teachers and HoS would be invited to DoE schools to brief them about their new school. Feeding of data related to class VIII students will be done in a similar way to as class V latest by **31-01-2023 (Tuesday)**. The data of all students should be fed diligently and no child should be left.
- All the Heads of the Govt. and Govt. Aided Middle schools are hereby directed to check that the online data details of the students are correct and Student IDs of all the students studying in class VIII have been generated else it will not be possible to issue online SLC.
- All the other guidelines regarding admission in class VI should also be followed for admission in class IX.

If the Recognized Unaided Middle Feeder Schools do not fill the above 12 data entry fields for a student before the stipulated date, the name of that student will not be reflected at DoE online module, hence he/she will not be admitted by the Parent School.
